STEEL GARAGE DOORS

GENERAL DOORS
Corporation

For nearly as long as there have been garages, General Doors has been making doors for them. Since the heyday of classic automobiles and the advent of the two car garage home, we have been providing homeowners with doors that look great and deliver years of dependable performance.

homestead carriage house
STEEL GARAGE DOORS

Our Homestead™ Carriage House door offers a great combination of features and value. In addition to fine detailing and low maintenance, the Homestead Carriage House door offers homeowners many great features like:

- Natural woodgrain texture with a beaded panel design
- Unique center bead creates authentic old-time swinging door look
- 24 gauge hot-dipped galvanized steel skin
(17% thicker than 25 gauge steel)
- Durable 2-coat baked-on polyester paint finish
- 2" thick sections assembled using Tog-L-Lock fastening system
- Resilient bottom weatherstrip in aluminum retainer to minimize air infiltration
- Heavy duty hardware and standard design full leaf hinges
- Heavy duty track with our exclusive elliptical curve for smooth operation
- One year limited warranty overall
- 10-year limited warranty against rust-through on door sections

When you buy a General Door, you're not just getting a superior garage door you're getting professional installation and service from an independent local dealer. This is an important service when you consider the size of your door, the number of times you use it, and the

importance of your door to the appearance and functioning of your home. Your dealer can advise you on the options and upgrades available to the hardware, springs and rollers that may be appropriate to your location and situation. Windload rated doors are available if required by local building codes.

THE HOMESTEAD CARRIAGE HOUSE CUSTOM OPTIONS

INSULATION

Factory installed insulation may be specified when ordering. Our 1 1/2" insulation increases the R value to 6.8, providing you with better energy efficiency in all seasons and reduced noise. A white rigid vinyl backing covers and protects the insulation while providing an attractive interior finish.

DECORATIVE HARDWARE

Nothing says custom door like General Doors' custom decorative hardware. Inspired by antique carriage door hardware, and available in wrought iron or flat black, this finishing touch can transform the look of your door – and even the look of your home.

COLORS

A white door is not always right for every home. That's why General Doors offers a choice of three factory-applied, baked-on colors that never need repainting. Sometimes, however, painting the doors with a custom color to complement your home's exterior is the best approach. Our pre-finished steel also serves as the perfect base to apply your own latex paint.

ARCTIC WHITE

ALMOND

SANDTONE

Refer to samples at your local General Doors dealer for exact color match.

LITE OPTIONS

Garage door lites have a great deal to do with the overall look of any garage door. The Homestead Carriage House door series offers either 2 lite (long panel) or 4 lite (short panel) window options, and several distinctive design trim styles that work with a variety of architecture. Color matched frames and design trim inserts that snap-in and out for easy glass cleaning are standard.

10-YEAR LIMITED WARRANTY

In addition to the standard One Year Limited Warranty offered on all its products, General Doors Corporation warrants the door sections of its Homestead™ Carriage House series door against deterioration due to rust resulting from the paint finish cracking, splitting, or peeling in residential single family installations for 10 years from the date of delivery to the original purchaser. If your garage door does not conform to these warranties, notify the dealer from whom the door was purchased. If any door sections are found defective upon inspection by an authorized General Doors representative, General Doors will replace or repair, at its option, the defective sections.

This warranty covers the door section(s) only, and does not apply to other parts of the garage door or its operating hardware. This warranty also does not apply to any damage

or deterioration caused by abuse, improper installation or handling, applied paint failure or failure to provide reasonable or necessary maintenance, alterations and/or additions to door, presence of foreign substances or atmospheric conditions including but not limited to coastal areas subject to excessive salt atmosphere. Labor charges for installation shall be the responsibility of the owner. General Doors is not liable for consequential or incidental damages, or for any other direct or indirect cause.

All warranties expressed or implied, including any warranty of merchantability are hereby expressly excluded.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
